# Calendar Information

Intertek Academy Bangladesh offers ISO, sustainability, food safety, cybersecurity and management system training to help organisations meet global compliance and certification requirements.

# Intertek Academy Training

Intertek Academy courses will help you understand, implement, and improve business practices and processes to ensure continual improvement of your organisation's management system. Our global network of experienced educators and auditors allow Intertek Academy courses to be taught globally.

Intertek is a leading Total Quality Assurance provider to industries worldwide. Our network of more than 1,000 laboratories in more than 100 countries, delivers innovative and bespoke Assurance, Testing, Inspection and Certification solutions for our customers' operations and supply chains.

Our educational programmes range from one-hour introductory webinars designed to enhance your understanding of management systems standards, to five-day IRCA-registered lead auditor courses for those responsible for system implementation and auditing. Presented by practising expert auditors and educators from the Intertek Bangladesh team, these programmes are tailored to keep you fully informed on the latest industry requirements and best practices relevant to Bangladesh and beyond.

## Why Intertek Academy?

Our training courses will help you elevate your level of specialisation and provide insight into the regulatory requirements of the market and the processes of current business. Intertek Academy Bangladesh's expert training programmes are created with all knowledge levels in mind. Whether you need to deepen your understanding of a standard to better prepare for upcoming audits or aspire to become an auditor, we have a training programme that is right for you!

Training programmes are aimed at different disciplines and designed with methodologies (accelerated learning skills) and themes appropriate to the requirements and objectives of each sector.

Most our programmes are available in face-to-face mode and in virtual classroom. Contact us for more information.
